

COVID-19 Golf Club Statement

Due to COVID-19, this has restricted many different sports in many ways. Luckily for us, golf is an outdoor sport that is played whilst adhering to the 2 metre social distancing requirements. The golf club's ability to host events and days out will be affected with the COVID-19 restrictions. Depending on the level of restrictions at the time of the intervarsity competitions will determine whether DCU can put out a team. The COVID-19 statement will be updated with relevant information.
