

## **League Of Legends Society COVID-19 Statement**

Two Covid-19 officers have been appointed and have received appropriate training (Sports Ireland return to sport course) and have made the commitment to educate themselves further on the Covid guidelines as they develop and affect our society activities.

DCU suspected Covid-19 case procedure will be communicated to all members.

The society has introduced all necessary precautions to best prevent the spread of Covid-19.

It is ensured that League of Legends society has a clear understanding of its rights and obligations under Covid-19 policies.

The society is aware of the DCU isolation procedure.

Plans are in place for:

- Attendance and contact tracing in line with GDPR.
- Suspected case notification.
- Isolation procedure.
- Provision of up to date rules and guidelines.
- Support of person with Covid-19 symptoms.

There is a Covid-19 questionnaire for each society activity / event.

Members shall not be allowed to participate in activities if:

- They are displaying symptoms of Covid-19
- They have displayed symptoms of Covid-19 in the past 14 days.
- They have been advised by a medical profession to self-isolate.
- They are awaiting the results of a Covid-19 test.
- They are the close contact of a person with a confirmed case of Covid-19 in the past 14 days.

Max attendance numbers per room are within the outlined by DCU and room allocation will be handled with this in mind.

A strict cleaning regiment for equipment (for which is safe to do so) is in place and all members are informed.

An education and induction plan is in place that is age-appropriate and suitable for those with disabilities, implemented by the accessibility officer.

The following systems have all been put in place:

- Induction training.

- Covid-19 officers selected.
- Public information on social distancing.
- Training on hand hygiene.
- Guide to change of environment.
- Info on Covid-19 response and symptoms in others.
- Clear determination of people who are declared “high-risk”.
- Any additional disability measures.

The Society and its committee has implemented the following:

- Distanced environments.
- A cleaning protocol.
- Closed off common areas.
- “no handshake policy”.
- Various hygiene protocols.
- Sanitisation protocols.
- Outline for return to activities post Covid-19.

All things listed above are implemented with the intention of the protection of public health and all will be carried out with the best intentions.
